Before land may be purchased by an entity for the establishment of an airport or landing field or an airport or landing field may be established by an entity the action or acquisition of land must be granted by the aeronautics commission of Indiana.

- (2) To elect a secretary from its membership or to employ a secretary, and to employ superintendents, managers, engineers, surveyors, attorneys, clerks, guards, mechanics, laborers, and all employees the board considers expedient, and to prescribe and assign their respective duties and authorities and to fix and regulate their compensation, in accordance with the appropriations made by the fiscal body of the entity. All employees shall be selected irrespective of their political affiliations.

All contracts and leases are subject to restrictions and conditions that the board prescribes.
